

Hello,

Is your health alright these days? I'm fine. Is it ok for you in your country, my country is in trouble now, we are off school this month. And now I'm still at home learning English as usual and my English is still considered temporary

I have received the money sent to me by the FVSO Association this month. Thank you, FVSO Association and I still care for you when the world is in trouble, I thank the FVSO Association. Hope the good to you and FVSO.

Thank you
